Ironfix Ironing board

Vitaflex

For application in hotels, motels, guest houses or holiday homes
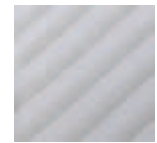

Possible covers:

| Aluminium | Flowers | Multicoloured stripes | Grey stripes |

The aluminium cover is extremely durable and has excellent gliding properties due to its heat-reflecting double aluminium coating.
Ironing board covers with 2 mm foamback.

Type overview

①

Wall mounted (collapsible)

This version can be found on page FF 6.72.

- Compact design for mounting to the wall
- Can be positioned at any height
- Rotates to the left and right

B = projection with covering hood 140 mm

②

Shelf mounted (without front connection)

This version can be found on page FF 6.72.

- Rotates in front of the cabinet
- Low installation depth for narrow furniture

A = internal cabinet depth >350 mm

③

Behind drawer front panel

This version can be found on page FF 6.73.

- The ironing board is raised to worktop height when extended
- It automatically disappears behind a folding drawer front panel when closed
- With facility for hooking in the small ironing board

A = internal cabinet depth >500 mm

④

Drawer mounted

This version can be found on page FF 6.74.

- The ironing board is raised to worktop height when extended
- Can be folded down and folded out
- Installed in drawers (retrofitting possible)
- Ideal for use with Moovit drawer side runner system
